

Vaughan

The Vaughan Clinic™ is offering a unique clinical experience. We are looking for 1 full time or 2 part time **Family Physician(s)** and 1-2 rotational **Medical Pain Specialist** (Orthopaedic physician, Rheumatologist, Sports Medicine and/or Physiatrist) for a new “executive style” health clinic and walk-in hours located in central Vaughan.

Clinic model:

- Comprehensive Health Assessments (OHIP plus non-insured services)
- Chronic Disease Prevention and Management
- Spine Clinic operated by SPINEgroup®
- Rehabilitation
- Pain Clinic

Vaughan is an expanding community with a mixed demographic. There is currently a shortage of family practice and no other “executive style” comprehensive Med/Rehab clinic in Vaughan making this a rewarding opportunity. The physician(s) must be committed to quality care and recorded patient outcomes, efficiency, evidence based practice and work well in a multidisciplinary, collaborative practice dedicated to the same principles.

The new 1,200 square foot clinic is set to open in the late summer 2010. Incentives include:

- Turn key operation, with waiting area, full reception/office assistant, 2 exam rooms
- Patient Referrals
- Specialists and SPINEgroup® Med/Rehab on site
- Located in central Vaughan in mixed residential and business area
- Located in mixed demographic with young families and aging population
- Very close to major highways, i.e. Highway 400
- Vaughan transit accessible and near Vaughan Mills Shopping Plaza
- Drug stores, diagnostic labs close by
- Opportunity for some in house diagnostics
- On site Registered Nurse, RN/ RPN
- Close to proposed *new* Vaughan Hospital campus site
- Open 6 days a week with flexible scheduling options
- EMR and integrated paperless patient record system
- Ground floor opportunity to participate as possible medical advisor for current large scale research/clinical program development with peer reviewed publications potential
- Limited overhead until appropriate patient volumes generated
